SICILIAN WINE FLIGHT - 24

Throughout the year, Jovanina's is going to be offering flights of wine that feature a different region of Italy. Sicily, the famous island off the southern tip of the Italian peninsula has become one of the most exciting winemaking provinces in Europe. Once almost exclusively known for Marsala production, Sicily is currently producing wines that are beautiful, often rustic and interesting, reflecting an incredible diversity of terroir. The wines we choose for this flight are a white from a vineyard converted from Marsala production, a Rose and Red from the slopes of the Sicily's famous Mt. Etna

We hope you enjoy!
